

MAYC Club Buck Store Wish List-**Make A Difference!!**

MAYC rewards children and youth that participate in activities, show a positive attitude, lead by example, and demonstrate responsibility, as well as volunteer in their community.

The children are rewarded with "Club Bucks". At the end of every week the children who have earned Club Bucks can shop in the MAYC Club Buck Store. Our Club Buck Store is bare because of all the hard work and positive values the kids have demonstrated. Below is a list of items they have requested and will work hard for. Any of these in-kind donations will be greatly appreciated and put to good use!

Please help us in our mission to encourage and train young people to develop their individual gifts and to be responsible citizens by rewarding them for modeling positive behavior!!
