

Mahomet Area Youth Club Sliding Scale Fees

The Mahomet Area Youth Club offers after school care for children between the ages of 6 to 12. The set cost for after school care is \$10.00 for a full day and \$5.00 for a half day. To ensure that quality services are accessible for any child regardless of economic circumstances, MAYC has developed a sliding fee scale to accommodate parents/guardians of various annual household incomes.

The MAYC sliding scale fee has 4 levels. If a parent/guardian would like to qualify for a reduced level of after school care fees, you will need to:

1. **Provide proof of income.** If you share expenses with other adults in the home, you will need to include that information for your combined annual income. MAYC will require a copy of the last year's Federal Tax return along with their most recent paycheck stub.

2. **Include the number of *all people* living in the household, related or not.** Parents/guardians must include themselves and all children they live with.

If a parent/guardian does not wish to disclose income, after school fees will be automatically set at Level 4.

Household Size	Level 1 Annual Income	Level 2 Annual Income	Level 3 Annual Income	Level 4 Annual Income
